13. President George Washington's 200th Anniversary-1932

NAME INDEX

This index contains names of persons holding influential positions during the period. In some instances, however, correspondence is included because the content is important enough to warrant attention in the index. The figures in the parentheses immediately following each name denote the total number of letters in the folder from that person. The identification of the writer and the site from where the letters were written are included whenever possible.

Box 4, Folder 2, 1927
